

WORK DAY

SEPTEMBER 10, 2005

7:30 AM

Who is F.L.O.R.A.

The Finger Lakes Off-Road Riders Association (F.L.O.R.A.) is a group of motorcycle and ATV riders who are dedicated to preserving and improving Finger Lakes State Park, specifically for motorcycle and ATV riders and racers. Find out more at our web site:

[Http://flora.socket.net](http://flora.socket.net)

What is done on work days?

On work days we work on marking trails, grooming existing trails, marking new trails and many other tasks (big and small) that will make F.L.S.P. a better place to ride.

Where do you meet?

Since we are a working club most of our meetings are at the State park and in the form of work days.

We meet at the concession stand at the Moto-Cross Area. You can find a list of dates and times for work at the website or call the Park Office.

Please come out and help make Finger Lakes State Park a better place to ride and to help ensure its future.
